Instructions

Thank you for your interest in the WIRF Research Acceleration Awards. The purpose of this EOI is to allow the Foundation to ensure that your proposal aligns with the objectives of the award, and to assist us in allocating the resources and expertise necessary to undertake a prompt and thorough assessment of Full Applications.

Your EOI will also serve as a point of introduction to the Foundation's Research Talent Development Officer, who will be available to assist you with your application. It is important to note that **your EOI will not be formally reviewed or scored**. However, a representative of the Foundation may contact you for clarification prior to release of a Full Application Form if there is uncertainty regarding the alignment of your EOI with the objectives of the RAA scheme.

In the space below, please provide a brief summary of your proposed project, highlighting the area of research and how it aligns with the objectives of the Research Acceleration Awards Scheme. (maximum 200 words).
