

Volunteer Knitting

We are extremely grateful to our volunteer knitters and sewers for the time and effort taken in making baby clothing and blankets.

Important Notes

- Please follow the specified patterns approved by our healthcare specialists at King Edward Memorial Hospital.
- Unfortunately, we cannot use garments made from unapproved patterns in our special care nurseries but are happy to take them in our hospital shops to raise funds for research.
- Wool can be provided upon request.

Thank you for supporting King Edward Memorial Hospital and the Women and Infants Research Foundation!
