## TO MAKE UP

Make sure purl side is the right side. Press all pieces.  
With purl sides together, and using a tiny backstitch, join front  
and back body pieces together all around from back neck to  
front neck. Turn through and stuff through neck opening, do not  
close seam. Join head side pieces from tip of nose to chin.  
Insert head gusset, matching markers (these are approximate  
eye positions), stuff head, moulding as you go, stuffing nose  
firmly first. Leave neck edge open. Join head to body around  
neck edge, adding more stuffing as you work. Tie a length of  
yarn around neck, pull up but not too tightly, fasten off. Sew up  
legs and arms and stuff, then pinning in place to body, sew on  
limbs, passing thread through body several times so arms  
and legs appear to be jointed. Sew the ears to the head, curving  
slightly. Embroider eyes, a small nose, mouth and claws.
