

# Wraps and Blankets

---

We are extremely grateful to our Volunteer Knitters and Sewers for their time and effort taken to make baby clothing and blankets.

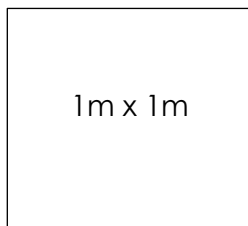

- Please follow the specified patterns approved by our healthcare specialists at King Edward Memorial Hospital.
- Unfortunately, we cannot use garments made from unapproved patterns in our special care nurseries but are happy to take them in our hospital shops to raise funds for research.

**Thank you for supporting the women and babies of King Edward Memorial Hospital and the Women and Infants Research Foundation!**
