

Blankets & Wraps

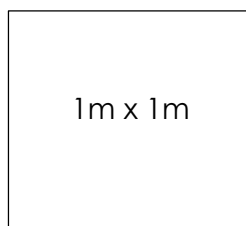

We are extremely grateful to our Volunteer Knitters and Sewers for their time and effort taken to make baby clothing and blankets.

- Please follow the specified patterns approved by our healthcare specialists at King Edward Memorial Hospital.
- Unfortunately, we cannot use garments made from unapproved patterns in our special care nurseries but are happy to take them in our hospital shops to raise funds for research.

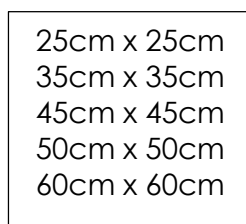

Thank you for supporting the women and babies of King Edward Memorial Hospital and the Women and Infants Research Foundation!
